

ADOPT AN ANIMAL AT THE EL PASO ZOO

At the El Paso Zoo, a member of the animal kingdom is waiting to be adopted. For only \$35.00 a year, you can become the proud parent of one of the Zoo's beautiful creatures...while leaving all of the care and feeding to us. Your support will help provide a happy home for the animal, as well as the rest of the animals living at The El Paso Zoo. Or, if you make a donation of \$500 or more toward the care of an animal in the South American Pavilion your name will be permanently placed on a donor's plaque in that area.

Animals adopted from The El Paso Zoo make wonderful gifts. Why not delight an animal lover with a critter or a beast on a birthday? The Zoological Society's program is also open to organizations, businesses and school groups... Zoo animals make perfect mascots!!

When you adopt- an- animal you will receive an adoption certificate, information about your animal and, a bumper sticker.

For a list of animals available for adoption call the El Paso Zoological Society office at (915)532-8156

Zoo animals, like all living things, do change. They may get sick, die, or be loaned to another zoo. If this happens, your adoption will be transferred to another animal.
